

28 March 2019

Dear Parent/Carer,

We are writing to tell you about some exciting changes we are making to our uniform from September 2019.

### The reason for the changes – “Dress smart, think smart”

Our aim is to provide a smart, safe and cost effective uniform for all students. We have listened to the feedback of students, but equally been mindful of not making the changes too costly for you as a parent/carer. The students are excited about this change and I expect many existing students will adopt the new blazer.

### What is the new uniform?

- From September 2019 **all students in Years 7-11 will be expected to wear a shirt and a tie** which reflects the house they belong to. The white shirts/blouses can be purchased from any retailer.
- **The existing polo shirt will not be available for purchase or permitted for wear by any student.**
- Trousers and skirts with the KSCS logo will remain the same and available from Chromasport.
- All students starting in Year 7 in September 2019 onwards will be required to wear a blazer and have the new PE/Dance kit.
- For all other students in Years 8 -11, the new blazer and PE/Dance kits will not be compulsory but encouraged as and when the uniform needs replacing.
- In the meantime, students in Years 8-11 can wear their shirt and tie with either the cardigan or jumper instead of the blazer.

### When and where will the uniform be available from?

Chroma Sports are aiming to have stock of the ties and blazers during May. Should your child's polo shirt need replacing then you may wish to move across to them wearing a shirt and tie during the summer term. Please use the web link below or QR code to check the availability of stock **from May onwards**.
