3.4 At Key Stage 3:

- 3.4.1 All students will take a range of end of topic, term or year examinations to gauge progress and / or attainment. The school will consider the use of intervention or booster strategies in connection with any students who are unlikely to attain the minimum level.
- 3.4.2 Decisions on whether students should not take an individual subject examination will be taken in consultation with the SENCO, the HoF and the LT Link as well as their subject teacher.

3.5 At Key Stage 4:

- 3.5.1 All students will be entitled, and enabled, to achieve an entry for qualifications from an external awarding body.

3.6 At Post16

- 3.6.1 All students will be entitled, and enable, to achieve an entry for qualifications from an external awarding body which lead to a formally recognised qualification ranging from foundation learning to A' Level.

4. Exam seasons and timetables

4.1 Exam seasons:

- 4.1.1 PPE are scheduled in November and February (Year 11), December and March (Post 16) and April (Year 10), June and July (Years 7, 8 and 9).
- 4.1.2 External exams are scheduled in November, January, May and June.
- 4.1.3 All PPE are held under external exam conditions.
- 4.1.4 Which exam series are used in the centre is decided by the HoF and the LT.
- 4.1.5 Controlled assessment should be scheduled in advance and shared with the Examinations Officer so invigilators (if needed) can be arranged.

4.2 Timetables

- 4.2.1 The Examinations Officer will circulate the exam timetables for both external and PPE once these are confirmed to staff, parents and students.

5. Entries, entry details, late entries and retakes

5.1 Entries:

- 5.1.1 Candidates are selected for their exam entries by the Heads of Faculty and the subject teachers.
- 5.1.2 A student or parent / carer can request a subject entry or change of tier / level but not a withdrawal
- 5.1.3 The school reserves the rights to accept / decline external entries from external students.

5.2 Late entries:

- 5.2.1 Entry deadlines are circulated to HoF via email / memo by the Examinations Officer.
- 5.2.2 Late entries will be charged to the Faculty and can only be processed by the Examinations Officer.

5.3 Retakes:

- 5.3.1 Candidates are allowed to re-sit in line with DFE (Department for Education) guidance. This will vary by subject and faculties will need to be aware of current DFE and Examination Board policy on re-sits.
- 5.3.2 Retake decisions will be made in consultation with the students, subject teachers, Post16 Raising Standards Leader, Examinations Officer and the HoF.
- 5.3.3 Students who re-sit exam modules because they achieved a U in the first sitting of the exam should pay for their exam entry. However, if the student then achieves a grade overall, the school will reimburse the student with the cost of entry.

- 5.3.4 Students who achieved a grade in an exam module but decide to resit the module in order to improve their grade pay for the exam entry and will only be reimbursed for this cost if the overall grade is improved.
- 5.3.5 If a student retakes a course and is enrolled on the course (on the SIMS register) then the exam modules will be paid for by the school.
- 5.3.6 If a student personally requests a re-sit then they must pay for this by the published deadline for examination entries. This requires the student to formally write to the Examinations Officer to request this service. Emails and other means of communication will not be accepted.
- 5.3.7 Requests beyond the Examination Board deadline for entries will result in the student incurring a late entry fee which is listed by the Examination Board. This will be communicated to the student and parent /carer by the Examinations Officer when a request is made.
- 5.3.8 The school, will in exceptional circumstances, wave these procedures and pay for re-sits if justified to do so. For example, if a member of staff has been absent which may have adversely affected the progress in the subject they are studying.

5.4 Parental Entries:

- 5.4.1 A parental entry can only be activated if one (or both) of the following concerns are evidenced:
 - a) The student falls below the 90% attendance rate and their attendance shows no sign of improvement.
 - b) They fail to produce internal coursework (including controlled coursework) that supports the preparation of an examination.
- 5.4.2 All faculties must communicate and record their concerns to a parent / carer and the student as a first step. Whilst a termly report is a first step, it is expected that any concern would be discussed personally with the parent / carer and student (usually via telephone, emails and face-to-face meetings).
- 5.4.3 The initial warning letter (attached in Appendix A) must be a step that follows the verbal warning to the student and their parent / carer. A record of this warning must be recorded in writing and clearly warns the parent / carer and student of the pending action and includes constructive action points to attempt to avoid the parental entry form occurring.

- 5.4.4 No parental warning letter must be released without the consent of the HoF via the LT Link.
- 5.4.5 Copies of this initial warning letter should be shared with the Head of House (or Post16 Raising Standards Leader) and the LT Link.
- 5.4.6 Should the issue(s) remain the faculty will then write to the parent / carer to make the student a Parental Entry.
- 5.4.7 This should be supported by a meeting (in person or over the telephone) with the parent / carer and the subject teacher and/or HoF.
- 5.4.8 In specific cases, the school will not make a student a Parental Entry if the student is not making adequate progress but are attending lessons, working hard and meeting deadlines should not be penalised. If these students want to be entered for exams then they should be given the opportunity to do so and the support required for them to do the best they can.
- 5.4.9 If there is a dispute regarding this process then the relevant member of the LT will become involved and investigate the issue as per Section 12 of this policy.
- 5.4.10 At Post 16, a student can only be asked to leave a course or have their placement rescinded if there has been direct involvement with the Post16 Raising Standards Leader to avoid NEET status. The removal of any student at Post16 must be signed off by the Post16 Raising Standards Leader and include supportive mechanisms to avoid, where possible, NEET status. (see also Section 6: Exam fees)

provided these are made within the time allowed by the awarding bodies. These are published by the school Examinations Officer via internal notices and memoranda.

- 6.6 Reimbursement will be sought from students who fail to sit an exam or fail to meet the necessary coursework requirements. The fees and reimbursement policy will be communicated in writing to students and parents / carer at the start of GCSE and Post 16 courses.
- 6.7 Retake fees for first and any subsequent retakes are paid by the students or their parent / carer either by ParentPay or cash. (see also Section 5.3 retakes).
- 6.8 The school will ensure to clearly publish any entry deadlines and where necessary indicate this to parent / carer where there may be a request for a Parental Entry.
- 6.9 Candidates must pay the fee for an enquiry about a result, should the school not uphold the enquiry and the student insist on pursuing the enquiry. (see also Section 12 Enquiries about results [EARs]).
- 6.10 Parental entries will require the parent / carer to pay for the entry based upon a specific concern raised by the school under Section 5 of this policy.
- 6.11 If there is sufficient evidence to trigger a parental entry and if the entry fee is not paid, the school holds the right to retain the certificate until the payment is made.

7. The Equality Act 2010, special needs and access arrangements

7.1 The Equality Act 2010

- 7.1.1 The Equality Act 2010 extends the application of the DDA to general qualifications. All exam centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

7.2 Special needs

- 7.2.1 A student's special needs requirements are determined by the SENCO and the educational psychologist / specialist teacher.
- 7.2.2 The SENCO will inform subject teachers of students with special educational needs who are embarking on a course leading to an exam, and the date of that exam. The SENCO can then inform individual staff of any special arrangements that individual students may be granted during the course and in the exam.

7.3 Access arrangements:

- 7.3.1 Making special arrangements for students to take exams is the responsibility of the SENCO and the Examinations Officer.
- 7.3.2 Submitting completed access arrangement applications to the awarding bodies is the responsibility of the Examinations Officer.
- 7.3.3 Rooming for specific access arrangement will be arranged by the SENCO with the Examinations Officer.
- 7.3.4 Invigilation and support for access arrangement students will be organised by the SENCO with the Examinations Officer.

8. Managing Invigilators and Examination Days:

8.1 Managing Invigilators:

- 8.1.1 External Invigilators will be used for exam supervision. They will be used for all examinations. This includes internal examinations and, where necessary, controlled assessments.
- 8.1.2 The recruitment of Invigilators is the responsibility of the Examinations Officer.
- 8.1.3 Securing the necessary DBS clearance for new Invigilators is the responsibility of the school.
- 8.1.4 DBS fees for securing such clearance are paid by the school.
- 8.1.5 Invigilators are timetabled and briefed by the Examinations Officer.
- 8.1.6 Invigilators' rates of pay are set by the school through consultation with EPM.
- 8.1.7 The Examinations Officer is entitled to CPD to ensure that the role is fulfilled in accordance with JCQ requirements.
- 8.1.8 Likewise, scribes and students accessing scribes should be entitled to training on how to scribe and make best use of the service.

8.2 Exam Days:

- 8.2.1 The Examinations Officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the Invigilator.
- 8.2.2 The site management company is responsible for setting up the allocated rooms.
- 8.2.3 The Lead Invigilator will start all exams in accordance with JCQ guidelines.
- 8.2.4 Subject staff may be present at the start of the exam to assist with identification of students but must not advise on which questions are to be attempted.
- 8.2.5 In practical exams subject teachers may be on hand in case of any technical difficulties.
- 8.2.6 Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to Heads of Faculty at the end of the exam session.

9. Candidates, clash students and special consideration

9.1 Candidates

- 9.1.1 The school's published rules on acceptable dress (uniform for Years 7 - 11), behaviour and students' use of mobile phones and all electronic devices apply at all times.
- 9.1.2 Candidates' personal belongings remain their own responsibility and the school accepts no liability for their loss or damage.
- 9.1.3 Disruptive students are dealt with in accordance with JCQ guidelines.
- 9.1.4 Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case a member of staff must accompany them.
- 9.1.5 The Examinations Officer will attempt to contact any student who is not present at the start of an exam and deal with them in accordance with JCQ guidelines.

9.2 Clash students

- 9.2.1 The Examinations Officer will be responsible as necessary for identifying escorts, identifying a secure venue and arranging, if necessary, overnight stays.

9.3 Special consideration:

- 9.3.1 Should a student be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the responsibility of the student to alert the school, or the Examinations Officer, to that effect.
- 9.3.2 Any special consideration claim must be supported by appropriate evidence within five days of the exam, for example, a letter from the student's doctor.
- 9.3.3 The Examinations Officer will then forward a completed special consideration form to the relevant awarding body within seven days of the exam.

10. Controlled Assessments / Coursework and appeals against internal assessments

10.1 Coursework:

- 10.1.1 Candidates who have to prepare portfolios should do so by the end of the course or school defined date.
- 10.1.2 HoF will ensure all coursework is ready for dispatch at the correct time and the Examinations Officer will keep a record of what has been sent when and to whom.
- 10.1.3 Marks for all internally assessed work are provided to the Examinations Officer by the HoF.

10.2 Appeals against internal assessments

- 10.2.1 The school is obliged to publish a separate procedure on this subject, which is outlined in Section 12.

11. Word Processor policy

- 11.1 The school policy on the use of word processors in examinations and assessments is reviewed and updated annually, on the publication of updated JCQ regulations and guidance contained in the publications Access Arrangements and Reasonable Adjustments and Instructions for conducting examinations.
- 11.2 At KSCS candidates who require a word processor for their examinations are provided with PCs which comply with JCQ regulations:
“Centres are allowed to provide a word processor with the spelling and grammar check facility/predictive text disabled (switched off) to a candidate where it is their normal way of working within the centre and is appropriate to their needs”

11.3 Purpose of the policy

11.3.1 This policy details how the School manages and administers the use of word processors in examinations and assessments.

11.4 Principles for using a Word Processor

11.4.1 The use of word processors is allowed in order to remove barriers for candidates who would otherwise be placed at a substantial disadvantage as a consequence of persistent and significant difficulties

11.4.2 The use of word processors is only permitted whilst ensuring that the integrity of the assessment is maintained, at the same time as providing access to assessments for a disabled candidate

11.4.3 The use of a word processor is not granted where it will compromise the assessment objectives of the specification in question

11.4.4 Candidates may not require the use of a word processor in each specification. As subjects and their methods of assessments may vary, leading to different demands on our candidates, the need for the use of a word processor is considered on a subject-by-subject basis

11.4.5 The use of a word processor is considered and agreed where appropriate at the start of the course.

11.4.6 Candidates are subsequently aware that they will have the use of a word processor for examinations and controlled assessments/coursework

11.4.7 Candidates are made aware that they will have the use of a word processor for examinations and non-examination assessments (including controlled assessments/coursework)

11.4.8 The use of a word processor for candidates is only granted if it reflects the support given to the candidate as their 'normal way of working', which is defined as support:

- in the classroom; or
- working in small groups for reading and/or writing; or
- literacy support lessons; or
- literacy intervention strategies; and/or
- in internal school tests and mock examinations

11.4.9 The only exception to this is where an arrangement may need to be put in place as a consequence of a temporary injury or impairment at the time of an exam or assessment.

11.4.10 Particular types of candidates may benefit from using a word processor, for example a candidate with:

- a learning difficulty which has a substantial and long term adverse effect on their ability to write legibly
- a medical condition
- a physical disability
- a sensory impairment
- planning and organisational problems when writing by hand
- poor handwriting
- (this list is not exhaustive)

11.4.11 It is our policy that candidates must show proficiency in the use of a word processor before using it for examinations, except in the case of temporary injury or impairment at the time of the examination.

11.4.12 In all cases the use of a word processor must reflect the candidate's NORMAL WAY OF WORKING within the centre and be appropriate to the candidate's needs. The use of a word processor will not be granted to a candidate because s/he prefers, to type, works faster on a keyboard, or because they use a laptop/PC at home.

11.5 The use of a word processor.

11.5.1 The school will:

- provide a word processor with the spelling and grammar check facility/predictive text disabled (switched off)
- only grant the use of a word processor to a candidate where it is their normal way of working within the centre

- only grant the use of a word processor to a candidate if it is appropriate to their needs (for example, the quality of language significantly improves as a result of using a word processor due to problems with planning and organisation when writing by hand) (The above also extends to the use of electronic brailers and tablets)
- provide access to word processors to candidates in non-examination assessments (including controlled assessments or coursework) as standard practice unless prohibited by the specification
- allow candidates to use a word processor in an examination to type certain questions, i.e. those requiring extended writing, and handwrite shorter answers
- in all cases, ensure that a word processor cover sheet (JCQ Form 4 for AQA, Edexcel and OCR exams and CIE Form 5 for Cambridge exams - copies attached) is completed and included with each candidate's typed script

11.5.2 The school is aware that examinations which have a significant amount of writing, as well as those that place a greater demand on the need to organise thought and plan extended answers, are those where candidates will frequently need to type. Examinations which require more simplistic answers are often easier to handwrite within the answer booklet. The candidate avoids the difficulty of visually tracking between the question paper and screen

11.6 Word processors and their programmes. KSCS will ensure that:

- word processors are used as a type-writer, not as a database, although standard formatting software is acceptable
- word processors have been cleared of any previously stored data, as must any portable storage medium used

- unauthorised memory sticks are not used by candidates
- word processors are in good working order at the time of the examination
- word processors are accommodated in such a way that other candidates are not disturbed and cannot read the screen (normal procedure is for exam candidates using PCS are seated in a computer room where their screens cannot be overlooked)
- where a candidate using a word processor is accommodated separately, a separate invigilator is used
- word processors are either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium
- documents are printed after the examination is over
- candidates are present to verify that the work printed is their own
- word processed scripts are inserted in any answer booklet which contains some of the answers
- word processors are used to produce scripts under secure conditions, and if they are not then the centre is aware that they may be refused by the awarding body
- word processors are not used to perform skills which are being assessed

- word processors are not connected to an intranet or any other means of communication
- candidates are not given access to other applications such as a calculator (where prohibited in the examination), spreadsheets etc. when using a word processor
- graphic packages or computer aided design software is not included on a word processor unless permission has been given to use these
- predictive text software or an automatic spelling and grammar check is disabled unless the candidate has been permitted a scribe or is using voice recognition technology (the script must have a completed
- scribe cover sheet included), or the awarding body's specification permits the use of automatic spell checking
- voice recognition technology is not included on word processors unless the candidate has permission to use a scribe or relevant software
- word processors are not used on the candidate's behalf by a third party unless the candidate has permission to use a scribe

11.7 At the end of the examination:

11.7.1 The Exams Officer / Senior Invigilator will ensure that the candidate has saved their work.

11.7.2 Documents are printed by the Exams Officer / Senior Invigilator with the candidate present, and the candidate is supervised whilst signing each printed page to verify that the work printed is their own

11.7.3 Word processor cover sheets are signed as appropriate

11.7.4 The candidate is allowed to leave and the PC logged off by the Invigilator

11.8 Other procedures

11.8.1 Candidates must not use their school log-in on a school computer for exams. Students will be provided with a log-in or will have been logged into the computer before the start of the examination

11.8.2 Candidates must not use their own computer/laptop for exams.

11.8.3 Candidates insert their details on in a header or footer on each page – i.e. Name, Candidate Number, Centre Number (22323) and the examination unit/component code

11.8.4 appropriately number each page

11.8.5 use a minimum 12pt font and double spacing

12. Results, Examinations Internal Appeals Procedure including EaR (Enquiries about Results) and Access to Scripts (ATS)

12.1 The code of practice requires centres offering examinations to:

12.1.1 Have in place procedures for access to scripts.

12.1.2 Ensure that internal candidates are made aware that all post-results service requests must be made through the centre.

12.1.3 Ensure that candidates have provided their confirmed written consent for remarking and access to scripts services offered by the awarding bodies.

12.1.4 Have in place an internal appeals procedure made widely available and accessible to all candidates.

12.2 Internally assessed work

12.2.1 Ken Stimpson Community School is committed to ensuring that whenever its staff assess pupils' work for external qualification this is done fairly, consistently and in accordance with the specification for the qualification concerned; along with the GCSE, GCE, BTEC and Joint Council Code of Practice.

12.2.2 Assessments are conducted by staff who have appropriate knowledge, understanding and skills, and who have been trained in this activity. The centre is

committed to ensuring that assessment evidence provided by candidates is produced and authenticated according to the requirements of the relevant specifications for each subject. Where a set of work is divided between staff, internal moderation and standardisation will ensure consistency.

12.2.3 Coursework marks have to be revealed to the students two weeks prior to the deadline for submission to the Examination Board. Good practice would suggest marks are shared with students alongside clear guidance as to how the work has been assessed and the assessment decisions arrived at. Students should be clear that the marks are subject to change as a result of the Examination Board moderation.

12.2.4 The Appeals Process

12.2.4.1 Students who wish to appeal against the procedures used to arrive at internally assessed modules, should initially raise any concerns with their subject teacher. If there is no resolution then the matter should be passed to the Head of Faculty. Where this does not satisfactorily address the concern, the matter should be drawn to the attention of the Examinations Officer who will consult with the Principal. If the concern is still not resolved to the satisfaction of the candidate then a request should be made in writing for the matter to move to a formal appeal.

12.2.4.2 The appeal should be made in writing to the Principal stating the details of the complaint and the reasons for the appeal. Appeals should be made as soon as the student has been informed of their mark and wishes to query/contest the mark awarded.

12.2.5 The Principal is in overall charge of managing appeals relating to internal assessments. However, the Principal will delegate the responsibility to the relevant LT member responsible for the line management of the subject area.

12.2.6 Where possible the appeal panel will consist of three members of staff who have not been involved in the internal assessment decision. The member of staff who has assessed the work will be present at the appeal panel, alongside a member of the LT and the Examinations Officer. The panel will be convened by the Examinations Officer.

12.2.7 The student will be given at least two days notice of the hearing date.

12.2.8 A breakdown of the marks awarded will be given to the student in advance of the appeal.

- 12.2.9 Should the student be required to put their case to the panel they can be supported during the presentation by a parent/guardian/responsible adult.
- 12.2.10 There will be a written record of the appeal, including the decision reached and the reasons for this decision. A copy of this will be sent to the pupil. A written record will be kept and made available to the awarding body upon request
- 12.2.11 The LT member who attended the hearing will convey the outcome of an appeal and the reasons for that outcome in writing to the student and parent/carer.
- 12.2.12 The Examinations Officer will maintain a written record of all appeals.
- 12.2.13 The Examinations Officer will inform the awarding bodies (Examining Boards) of any change to an internally assessed mark.
- 12.2.14 Should the appeal bring any significant irregularity to light, the awarding body will be informed, as this will affect the issue of results at the centre. After work has been assessed internally, it is moderated by the awarding body to ensure consistency between centres. Such moderation frequently changes the marks awarded for internally assessed work. That is outside the control of Ken Stimpson Community School and is not covered by this procedure.

12.3 Results

- 12.3.1 Candidates will receive individual results slips on results days in person at the school / by post to their home addresses (only if the students provide a correctly stamped addressed envelope).
- 12.3.2 Arrangements for the school to be open on results days are made by the Examinations Officer.
- 12.3.3 The provision of staff on results days is the responsibility of the LT Link responsible for examinations in conjunction with the Examinations Officer.
- 12.3.4 The school aggregates at the end of Year 13 for AS grades, not at the end of Year 12.

12.4 Access to Scripts (ATS)

- 12.4.1 After the release of results, HoF will be responsible for co-ordinating, either by subject staff or students, the request of the return of papers within three days scrutiny of the results.

- 12.4.2 If a result is queried, the Examinations Officer and HoF will investigate the feasibility of asking for a re-mark at the expense of either the school or the faculty.
- 12.4.3 School staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of students should be obtained.
- 12.4.4 GCSE re-marks cannot be applied for once a script has been returned.
- 12.5 Examinations Internal Appeals Procedure including EaR (Enquiries about Results)
- 12.5.1 EaRs may be requested by HoF, or students, if there are reasonable grounds for believing there has been an error in marking.
- 12.5.2 Any student/Faculty who wants to query a mark/grade awarded by an awarding body upon issue of results should follow the following procedure:
- 12.5.2.1 Contact the Examinations Officer as soon as possible (but at least 5 working days before the published deadline for EaRs) in person to discuss the mark/grade. The Examinations Officer will advise on the options available to query the mark/grade and the costs involved in this process.
- 12.5.2.2 Students should be aware that EaRs can result in marks/grades being raised, confirmed or lowered. Students must sign a consent form to confirm that they understand the consequence of an EaR. Consent forms will be issued by the Examinations Officer.
- 12.5.2.3 The subject teacher will review the student's marks/grades and discuss with the Head of Faculty, where relevant, on the appropriate action taking into account the breakdown of marks, the grade boundaries and the student's predicted grades.
- 12.5.2.4 If the Faculty agrees to support the EaR:
- 12.5.2.4.1 The request, together with the student's consent form, should be made to the Examinations Officer before the published deadline for EaRs. Responsibility for the cost of the enquiry will be agreed in advance.
- 12.5.2.5 If the School does not agree to support the EaR:
- 12.5.2.5.1 A student may appeal against the decision not to support an EaR. Appeals should be made in writing to the Examinations Officer, at least 5 working

days before the published deadline for EaRs. The appeal should state, in detail, the reason(s) for the appeal. This appeal should be signed and dated and should include the daytime contact telephone number of the student, parent or guardian. The appeal information will be reviewed by the Examinations Officer and a member of the Senior Leadership Team; the outcome of the appeal will be communicated by telephone/email/1st class letter post within 24 hours of receipt. This decision is final.

- 12.5.2.6 If the centre does not support the EaR the student may still proceed with the EaR but all costs involved will be paid by the student at the time the EaR is made.
- 12.5.2.7 No EaRs will be made until fees are paid. Requests must be made in person to the Examinations Officer before the published deadline for EaRs. If the enquiry is successful the fee will be refunded to the student.
- 12.5.2.8 Outcomes following EaRs will be forwarded by the Examinations Officer to the student as soon as possible after they have been received from the Awarding Bodies.

13. Certificates

- 13.1 Certificates are presented in person or collected and signed for.
- 13.2 Certificates may be collected on behalf of a student by a third party, provided they have been authorised to do so. A formal letter of request from the student explaining the reason for the request and includes their signature is the only acceptable method of communication. Emails, or other means of communications (e.g. a telephone message) will not be considered as acceptable authorisation.
- 13.3 Certificates may be withheld from students who owe fees.
- 13.4 The school retains certificates for a maximum of two years.

Dear

Low attendance – warning of parental entry.

I am writing to express my concerns over **name's** attendance to **his/her subject** lesson.

He/she has missed several lessons now and **his/her** attendance is well under 80%. If students do not attend at least 90% of lessons we cannot prepare them sufficiently for exams and coursework. If **name** does not show an immediate improvement then we will have to withdraw **him/her** from the exams or **he/she** will have to pay and be entered as a parental entry.

If you need to consider this matter further, please do not hesitate to contact me.

Yours sincerely

Dear

Further to my previous letter of **DATE**, I need to write to you once again to express my concerns over XXXXX's attendance to his YYYYY lessons

My previous letter explained that XXXXX's attendance to lessons had dropped below 80%. I explained that this was below the 90% minimum required by the school policy and XXXXX's poor attendance was making it difficult to support them sufficiently for his/her coursework portfolios / exams. Unfortunately, since my previous letter XXXXX's attendance has not improved. It is currently at XXXX lessons.

At the start of the course students were issued with a copy of the Post16 Home School Agreement. This document was given to all Post16 students and clearly outlined our expectations and the consequences if these were not met. I am including a further copy of this document with this letter for your attention. XXXXX has now reached Stage 3 of the disciplinary procedure outlined in the Agreement. At this stage I am still prepared to allow XXXXX to be entered for their coursework unit / examination but I am now requesting that you pay for their entry. Alternatively, you may decide that it is appropriate that XXXXX pays for their coursework / examination entry. I would fully support this decision as I believe that it may help to ensure that XXXXX takes ownership for their studies.

The cost of the UNIT is currently £XX.XX. You may pay using cash or a cheque which should be made payable to Ken Stimpson Community School. Please include the payment in an envelope addressed to myself on behalf the school and ensure XXXXX puts the envelope into the letter box outside of admin. If you do not agree with this policy or are unprepared to pay for XXXXX's course fees, then you have then please contact Mr Walls, Raising Standards Leader to request an appeal. However, if you feel that raising the finance may be a problem then it may be possible to arrange a repayment schedule and pay in instalments.

If you would like to discuss this matter further, please do not hesitate to contact me. I can be contacted at school on the following number, 01733 765950 or via email at the following email address XXXXX. I would appreciate your support with this matter and look forward to helping XXXXX achieve their potential in this subject.

Yours sincerely

**Reviews of marking – centre assessed marks
GCSE controlled assessments, GCE coursework,
GCE and GCSE non-examination assessments**

The JCQ and its awarding body members (AQA, CCEA, OCR, Pearson and WJEC) wish to remind centres that candidates must now be informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.

Centres **must** plan to complete the following activities ahead of the awarding bodies' published deadlines for the submission of marks.

The centre **must**:

- inform each candidate with an entry for centre assessed work of the mark(s) awarded and advise them that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment[†];
- having received a request for copies of materials, promptly make them available to the candidate;
- provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision;
- allow sufficient time for the review to be carried out, make any necessary changes to marks and inform the candidate of the outcome, all before the awarding body's deadline;
- ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the outcome of the review[‡];
- instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre;
- inform the candidate promptly in writing of the outcome of the review of the centre's marking.

[†]These materials could include a copy of their marked work, the relevant specification and associated subject-specific documents.

[‡]This may be a third party, provided that they meet the conditions defined above.

Appendix H- JCQ Information for candidates regarding coursework assessments

This notice has been produced on behalf of:

AQA, City & Guilds, CCEA, OCR, Pearson and WJEC

Information for candidates

GCE, ELC and Project qualifications - coursework assessments

This document tells you about some things that you must and must not do when you are completing coursework.

When you submit any coursework for marking, you will be asked to sign an authentication statement confirming that you have read and followed these regulations.

If there is anything that you do not understand, you must ask your teacher or lecturer.

Coursework provides you with an opportunity to do some independent research into a topic. The research you do will involve looking for information in published sources such as textbooks, encyclopedias, journals, TV, radio and on the internet.

Using information from published sources (including the internet) as the basis for your coursework is a good way to demonstrate your knowledge and understanding of a subject. You must take care how you use this material though - you cannot copy it and claim it as your own work.

The regulations state that:

"the work which you submit for assessment must be your own";

"you must not copy from someone else or allow another candidate to copy from you".

If you use the same wording as a published source, you must place quotation marks around the passage and state where it came from. This is called "referencing". You must make sure that you give detailed references for everything in your work which is not in your own words. A reference from a printed book or journal should show the name of the author, the year of publication and the page number, for example: (Morrison, 2000, pg.29).

For material taken from the internet, your reference should show the date when the material was downloaded and must show the precise web page, not the search engine used to locate it. This can be copied from the address line. For example:
(<http://www.bbc.co.uk/schools/16/sosteacher/history/49766.shtml>), downloaded 5 February 2018.

You must also include a bibliography at the end of your work. This must list the full details of publications you have used in your research, even where these are not directly referred to, for example: Morrison, A. (2000) "Mary, Queen of Scots", London: Weston Press.

If you copy the words or ideas of others and do not show your sources in references and a bibliography, this will be considered as cheating.

Preparing your coursework – good practice

If you receive help and guidance from someone other than your teacher, you **must** tell your teacher who will then record the nature of the assistance given to you.

Your parent/carer may provide you with access to resource materials and discuss your coursework with you. However, they must not give you direct advice on what should and should not be included.

If you worked as part of a group on an assignment, for example undertaking field research, you must each write up your own account of the assignment. Even if the data you have is the same, the description of how that data was obtained and the conclusions you draw from it should be in your own words.

You must meet the deadlines that your teacher gives you. Remember - your teachers are there to guide you. Although they cannot give you direct assistance, they can help you to sort out any problems before it is too late.

Take care of your work and keep it safe. Don't leave it lying around where your classmates can find it. You must always keep your coursework secure and confidential whilst you are preparing it; do not share it with your classmates. If it is stored on the computer network, keep your password secure. Collect all copies from the printer and destroy those you do not need.

Don't be tempted to use essays from on-line essay banks — this is cheating. Electronic tools used by awarding bodies can detect this sort of copying.

You must not write inappropriate, offensive or obscene material.

Plagiarism

Plagiarism involves taking someone else's words, thoughts or ideas and trying to pass them off as your own. **It is a form of cheating which is taken very seriously.**

Don't think you won't be caught; there are many ways to detect plagiarism.

- Markers can spot changes in the style of writing and use of language.
- Markers are highly experienced subject specialists who are very familiar with work on the topic concerned — they may have read the source you are using (or even marked the essay you have copied from!).
- Internet search engines and specialised computer software can be used to match phrases or pieces of text with original sources and to detect changes in the grammar and style of writing or punctuation.

Penalties for breaking the regulations

If your work is submitted and it is discovered that you have broken the regulations, one of the following penalties will be applied:

- the piece of work will be awarded zero marks;
- you will be disqualified from that unit for that examination series;
- you will be disqualified from the whole subject for that examination series;
- you will be disqualified from all subjects and barred from entering again for a period of time.

The awarding body will decide which penalty is appropriate.

REMEMBER – IT'S YOUR QUALIFICATION SO IT NEEDS TO BE YOUR OWN WORK
